1. Describe the strengths of this class and/or instructor; be specific and give examples.

Professor Hill has an outstanding understanding and enthusiasm for the course matter.

The subject matter expert and other guest speakers added tremendous depth and insight to the class.

2. Describe any weaknesses of this class and/or instructor; be specific and give examples.

I felt some assignments were vague - suggesting a few papers were to be written in the end it's only one.

I personally get more out of writing several papers on different topics relative to the class instead of just one final huge paper with no room for discussion after it's written.

Professor Hill was often late for class which is a waste of my time.

Professor's Name: Andrew Hill

Semester: Spring 2022

- Describe the strengths of this class and/or instructor; be specific and give examples.

Very educated on the subject matter concerning international law & human rights issues; He brought in great guest speakers; & he seemed genuinely concerned about our points of view.

- Describe any weaknesses of this class and/or instructor; be specific and give examples.

We (the class) had 1 required textbook & 2 ~~other~~ optional textbooks. We didn't read much from the required & the other books weren't really addressed throughout the semester. I felt obligated to buy the other 2 books and feel that the only way I can get my money's worth is by claiming it on my 2003 tax form.

- Additional comments:

Great instructor but the class needs to be more structured.
