Comments Report

3.1) Aspects of this course I found most helpful were...

- .
- Quizzing
- The Study guides. They were very helpful
- The group talks we had with each other.
- The handouts, videos and presentation material.
- The professor helped improve my critical thinking skills
- The ratio of book to lecture material usage was amazing. Combining what the instructor knew to what the book said was very helpful, and the examples the instructor used was great.
- There were discussions everyday. This is helpfull when it comes to learning because interraction with other students helps understand more if one does not get it
- great class pertisapation. Prof Hill was great, I love how he engaged the class and brought ethics to life.
- her powerpoints
- made me think and see things different
- the case studies

3.2) Aspects of this course I would most like to see changed are...

- A more solid foundation of what the assignments should be.
- Less time on the IHL.
- N/a

3.3) Your instructor would like to know some specific things he/she did particularly well...

- .
- Everything. I enjoyed the class and looked forward to it everyday. Very dissappointed that next semester is his

last semester. That is one of Schools biggest mistake is letting him go because "hes too easy". I've learned so much. Best teacher ever!

- Getting the class into an open discussion.
- He was very outgoing and positive, had a strong voice and made the class very interesting.
- I believe the instructor was amazing! I really enjoyed this class and how it was taught. The skill to make light of situations was particularly impressive.
- Involved the class in discussions
- Our discussions were probably not the most normal ones, but they definitely caught our attention and we got to see different points of view.
- The list on the board was wonderful, it really did help. Getting everyone to think and engage with discussions.
- Tried to simplify the lesson the best he could. Good idea to write the main words every class - does help.
- attitude was great, even when times were tough.
- great teacher. always willing to help
- participation of the class
- using case studies

3.4) Your instructor would like to know some specific things you did not like about the course that he/she should change to improve his/her teaching...

- N/a
- .
- Again, the foundation of assignments was not the best lay out of what the class should have been. What I am saying is, more tests and more essays to keep the class engaged.
- Gave out too many papers.
- None
- None, don't change a thing.
- Nothing at all.
- can not think of something.
- forgetting our review before our final
- none (2 Counts)
