## 2. Student Appraisal of Instruction - Additional Comments

2.1 What I liked most about the way this instructor taught this course.

New ways/techniques of learning philosophy. not just reading from the book.

2.2 What I liked least about the way this instructor taught this course.

We seem to be moving at a slow pace. Of course it is hard to keep moving with the course when half the class shows up late or not at all.

2.3 What I think makes this instructor effective.

His technique in teaching us the topics at hand.

2.4 What I think this instructor could do to improve his/her teaching.

Keep the course moving.

2.5 Additional comments:

Prof. Hill has a genuine love for Philosophy. And it is obvious he really wants us to learn it.
