1. Student Appraisal of Instruction - Lecture Class Rating Scale

Thoughtful student reaction can help evaluate teaching effectiveness. This questionnaire is designed for that purpose. Your assistance is appreciated. Please do not sign your name.

Rate your instructor on each item. Use #2 pencil or black ink to mark the box of your choice (see example above). Satisfactory (4) is expected performance by the instructor. Boxes to the left of this rating (3 to 1) indicate less effective performance, with one (1) representing the lowest or unsatisfactory performance. Boxes to the right of this rating (5 to 7) indicate more effective performance, with seven (7) indicating the highest or exceptional performance.
